Customer Advisory

CA-001/23-02-2026

Dear Esteemed Customer,

Greetings from CCTPL!!!

We sincerely thank our valued customers and members of the EXIM trade for their continued patronage of CCTPL.

We wish to inform you that our terminal is currently handling Direct Port Entry (DPE) containers to facilitate ease of doing business and to reduce container and truck waiting time outside the port for DPE customers. However, the significant increase in DPE container volumes being received directly into the terminal well in advance has resulted in repeated shifting's, leading to additional handling operations.

In view of the above, we seek your kind cooperation for a marginal revision in DPE rates to INR. 1,243.10/- for 20' containers and INR.1,864.63/- for 40' containers excluding GST%. The revised rates will be effective from 1st March 2026.

Please disseminate this information to other concerned trade members.

Thanks for your kind support and assuring you of our best services always.
