Rail Cargo

Rail cargo received at Centerm is subject to a one-day buffer to allow time for cargo to be discharged from rail. Following the buffer day, cargo will be scheduled for movement to Salish Sea Gateway on the next available exchange day.

Rail Receipt Day	Exchange Day	Available Barge
Monday	Thursday	Friday
Tuesday	Thursday	Friday
Wednesday	Saturday	Monday
Thursday	Saturday	Monday
Friday	Tuesday	Wednesday
Saturday	Tuesday	Wednesday

DP WORLD

Customer Deliveries on Non-Gate Days

Scenario	Process
Primary Option	Stage cargo at approved off-dock facility
Secondary Option	In-gate to Centerm and exchange later with approval to SSG

Exceptions

Any move outside the listed requires approval from the appropriate operational or commercial manager.
